Dear Author,

Your paper may be eligible for our advance online publication (AOP) programme. In this programme, your paper will be published online on *Nature*'s website at www.nature.com/nature as soon it is typeset and your proof corrections returned. It will be published in print as soon afterwards as space is available. The two versions of the paper are identical.

Our offer of this service is conditional on your agreement to the following:

- Your text, figures and any supplementary information are all included when you send us the final version of your paper for formal acceptance, and are all in *Nature-preferred format* (within length and below maximum sizes) as specified in our format instructions at http://www.nature.com/nature/authors.
- The corresponding (or otherwise designated) author undertakes to read and return the proofs within 48 hours of their receipt.
- The corresponding author signs and returns the “author licence” form with the returned proof, not later.
- No changes can be made to the paper once the online version is published.

Please sign and return this letter, preferably scanned and uploaded with the final version of your manuscript, or fax letter to +44 207 843 4596 if this is not possible. Please specify below the author responsible for returning proofs if different from the corresponding author.

I agree to the above terms and conditions for AOP publication of my paper in *Nature*:
