ERRATUM ERRATUM **ERRATUM** ERRATUM ERRATUM

The July 2007 article by Oratz et al, entitled “Impact of a Commercial Reference Laboratory Test Recurrence Score on Decision Making in Early-Stage Breast Cancer” (J Oncol Pract 3:182-186, 2007), contained an error. The figure presented as Figure 2 should have appeared under the heading for Figure 3. Figure 2 should have included the following graph:

The online version has been corrected in departure from the print. The corrected Figure 2 is reprinted below.

Figure 2. Correlation between recurrence score and patient age.

ERRATUM ERRATUM **ERRATUM** ERRATUM ERRATUM

The May 2007 article entitled “2006 Update of ASCO Practice Guideline for the Initial Hormonal Management of Androgen-Sensitive Metastatic, Recurrent, or Progressive Prostate Cancer: Guideline Summary” (J Oncol Pract 2:175-177, 2007), contained errors. In the title and in several instances in the text, the article referred to a 2006 update, a 2006 recommendation, or a 2006 literature update and discussion, whereas it should have said 2007 in each instance.

The online version has been corrected in departure from the print.
