This should be a new measure for the quality of care and become the next priority in refinements and improvements in cancer care.

Accepted for publication on September 7, 2009.

Authors' Disclosures of Potential Conflicts of Interest

Although all authors completed the disclosure declaration, the following author(s) indicated a financial or other interest that is relevant to the subject matter under consideration in this article. Certain relationships marked with a "U" are those for which no compensation was received; those relationships marked with a "C" were compensated. For a detailed description of the disclosure categories, or for more information about ASCO's conflict of interest policy, please refer to the Author Disclosure Declaration and the Disclosures of Potential Conflicts of Interest section in Information for Contributors.

ERRATUM ERRATUM ERRATUM ERRATUM ERRATUM

The November article by Luna et al, entitled "Private Practice Administrative Costs Influenced by Insurance Payer Mix" (*J Oncol Pract* 5:291-297, 2009), contained an error in the spelling of the fifth author's name. It was originally published as Edward Reed and should have been Eddie Reed. *Journal of Oncology Practice* apologizes to the authors and readers for the mistake.
