INTRODUCTION TO GUEST EDITOR

Ramsey F. Markus, M.D.

We are extremely pleased to have as our guest editor for this issue Dr. Ramsey Markus. Dr. Markus completed his dermatology residency at the Medical College of Wisconsin and his laser fellowship at the Massachusetts General Hospital. He is currently the director of laser surgery for Baylor College of Medicine. He is a recognized world authority on the use of laser technology for reconstructive and aesthetic surgery. He

has published extensively in this field and has numerous research studies related to laser surgery. He has put together an excellent issue covering the full spectrum of laser topics. We are confident that this issue will be used as a future reference for surgeons participating in this field.
