(Received 16 January 2011; accepted 18 January 2011; published online 8 March 2011)

Three lines after equation Eq. (10), the statement should read “ $\Delta k = 2\pi/L$ ” with the parenthetical remark “(W is the number of points along the x-axis in the $W \times W$ discrete mesh)” that follows removed. In Table II, $F = \infty$ and not $F = 8$.
