Since the publication of this paper, the authors have noticed that the ArrayExpress accession numbers for the ChIP-seq and microarray data sets were not included. These are E-MTAB-785 (high-throughput sequencing experiments) and E-MTAB-788 (microarrays).

Control samples for the ChIP-seq experiments were previously submitted to GEO with accessions SRX014075, SRX014076 and GSM798440.

The authors apologize for any inconvenience caused.
