ACKNOWLEDGEMENTS

Reviewer Thank You

Published online: 5 January 2013
© American College of Medical Toxicology 2012

The Editorial staff of the *Journal of Medical Toxicology* appreciates all of those who make the success of the journal possible. A medical journal cannot exist without the tireless, and often thankless, work of its reviewers. The list only includes those reviewers registered on our web-based program, Editorial Manager, so many who have reviewed may not be on the list. To those reviewers omitted, we apologize, but also thank you very much.
