In the column, *Giants In Orthopaedic Surgery: Sterling Bunnell MD*, the sentence: “Kirk was the first, and to this day, only, orthopaedic surgeon so ordained” is incorrect as written. The sentence should read: “Kirk was the first orthopaedic surgeon appointed as the U. S. Army Surgeon General.”

Also, the sentence: “By 1941, Kirk, now a General officer, was Chief of Surgery at Walter Reed National Military Medical Center in Washington D.C.” is incorrect. Dr. Kirk did not become a General Officer until 1942 at Percy Jones Army Hospital in Battle Creek, Michigan.

The author apologizes for these errors.
