Correction to: *EMBO reports* 15: 28-45 DOI 10.1002/embr.201338025

In this article, published in the January 2014 issue of *EMBO reports*, there definition of IPS in the Glossary was incorrect. The corrected definition is “IFN- β promoter stimulator.” In the legend to Figure 2,

lines 2 and 3 should read “ ϵ -amino group” instead of “ α -amino group.” We apologize for any inconvenience caused.
