Correction

COMMENTARY

Correction for “Waking sleeping algal cells,” by Xiaobo Li, James G. Umen, and Martin C. Jonikas, which appeared in issue 44, November 4, 2014, of *Proc Natl Acad Sci USA* (111:15610–15611; first published October 23, 2014; 10.1073/pnas.1418295111).

The authors note that on page 15610, center column, first full paragraph, lines 2–4 “CHT7 contains a CXC domain, which has been found to mediate DNA binding” should instead appear as “CHT7 contains two CXC domains, which have been found to mediate DNA binding.”
