Volume 59, no. 5, p. 2756–2764, 2015. Page 2756, abstract, lines 10 and 11: “5-μg azithromycin disk” should read “15-μg azithromycin disk.”

Page 2757, “Microbiological methods” paragraph, lines 9 and 10: “azithromycin (AZM; 5 μg)” should read “azithromycin (AZM; 15 μg).”

Page 2760, Table 3, “Variable” column, row 2: “Male sex (%)” should read “Age, yr (IQR).”

Page 2760, right column, lines 2 and 6: “5-μg azithromycin disk” should read “15-μg azithromycin disk.”

Page 2762, Figure 3 legend, line 4: “5-μg azithromycin disk” should read “15-μg azithromycin disk.”
