Retraction Notice:

In the article entitled, "Effects of Bariatric Surgery on Incidence of Obesity-Related Cancers: A Meta-Analysis" which was published in Medical Science Monitor 2015;21: 1350-1357, sections in the text have been directly copied from a previously published article, entitled, "The Effects of Bariatric Surgery on Colorectal Cancer Risk: Systematic Review and Meta-Analysis", Sorena Afshar, Seamus B. Kelly, Keith Seymour, Jose Lara, Sean Woodcock, John C. Mathers in Obesity Surgery 2014; 24(10): 1793–1799. Thus owing to duplicity of text, the article is being retracted.
