Erratum

In the article “Health and Disease at Age 100: Findings From the Second Heidelberg Centenarian Study” by Daniela S Jopp et al. (Dtsch Arztebl Int 2016; 113: 203–10, issue 12), the paragraph on pain severity on page 208 requires additional information. The sentence should be completed as follows (bold type): “Of those reporting pain **and of whom information on pain severity was available (n=58)**, most said that their pain was “bearable” (57%); four (7%) had mild pain.” MWR
