Blood pressure normalization post-jugular venous balloon angioplasty, by Zohara Sternberg, Prabhjot Grewal, Steven Cen, Frances DeBarge-Igoe, Jinhee Yu and Michael Arata, *Phlebology* 0268355513512824, first published on November 19, 2013 as Epub, DOI:10.1177/0268355513512824. The article also appears in this issue, *Phlebology* 2015; 30(4): 280–287.

The authors would like to note the following corrections to their article:

1. The article type for this paper is 'Retrospective Review' as opposed to 'Original Article'.
2. Zohara Sternberg's affiliation was incorrectly listed. The correct affiliation is 'Synergy Health Concepts, Newport Beach, CA, USA'.
3. The IRB protocol number for this retrospective review was omitted:
Study name: Venous Obstruction in Neurodegenerative Disorders Research Registry Protocol Number: RESEARCH_REGISTRY
