This article was originally published online on 8 April 2015 with an error on page 212417-8, in the left column, the first line, first sentence. The correct sentence should appear as follows: "For two coupled chromophores, 2FDs indicate that the off-diagonal peaks will oscillate in t_2 with frequency $\omega_{10,01}$, the difference between the frequencies of the $|1\rangle\langle 0|$ coherences of modes 1 and 2." AIP Publishing apologizes for this error. All online versions of the article were corrected on 10 April 2015; the article will be correct as it appears in the printed version of the journal.
