Correction to: Journal of Ocular Pharmacology and Therapeutics 2016;32:355–364

IN THE JULY/AUGUST 2016 issue of *Journal of Ocular Pharmacology and Therapeutics* (vol. 32, no. 6; 355–364), the article entitled “Effects of Rho Kinase Inhibitors on Intraocular Pressure and Aqueous Humor Dynamics in Nonhuman Primates and Rabbits” by Toris *et al.* requires a correction.

On page 364, Acknowledgments section must be added recognizing Alcon Laboratories and Research to Prevent Blindness as follows:

Acknowledgments

This work was supported by Alcon Laboratories and an unrestricted grant from Research to Prevent Blindness.

The online version of the article has been corrected to reflect this change. The authors apologize for this omission.

DOI: 10.1089/JOP.2016.0069.correx

Correction to: Journal of Ocular Pharmacology and Therapeutics 2016;32:606–622

IN THE NOVEMBER 2016 issue of *Journal of Ocular Pharmacology and Therapeutics* (vol. 32, no. 9; 606–622), the article entitled “Prostanoid Receptor Antagonist Effects on Intraocular Pressure, Supported by Ocular Biodisposition Experiments” by Woodward *et al.* requires a correction.

In the Acknowledgment on page 620, Allergan, Inc. and Research to Prevent Blindness must be recognized as follows:

Acknowledgments

The authors wish to express their gratitude to Medicilon/MPI, Preclinical Research (Shanghai) LLC for conducting the rabbit ocular DMPK studies. **This work was supported by Allergan, Inc. and an unrestricted grant from Research to Prevent Blindness.**

The online version of the article has been corrected to reflect this change. The authors apologize for this omission.
