Correction

CORE CONCEPTS

Correction for “Core Concept: Stabilizing turbulence in fusion stellarators,” by Adam Mann, which appeared in issue 6, February 7, 2017, of *Proc Natl Acad Sci USA* (114:1217–1219; 10.1073/pnas.1618480113).

The editors note that in two locations the name “Xanthopoulos” mistakenly appeared as “Xanthopolous.” The errors appeared on page 1219, left column, third full paragraph. The online version has been corrected.
