Accreditation and Designation Statement

Blackwell Futura Media Services designates this journal-based CME activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Blackwell Futura Media Services is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Educational Objectives

Upon completion of this educational activity, the participant will be able to

- Understand the diagnostic implications of McConnell's sign on echocardiography and its relationship with acute PTE.
- Learn about the use of right ventricular strain analysis in the diagnosis of acute PTE in patients with McConnell's sign by echocardiogram.

Activity Disclosures

No commercial support has been accepted related to the development or publication of this activity.

Faculty Disclosures-

CME editors—Pohoey Fan, M.D., and Grace Wenzel, M.D., have no relevant financial relationships to disclose.

Authors—Drs. Anuj Mediratta, Karima Addetia, Diego Medvedofsky, Mardi Gomberg-Maitland, Victor Mor-Avi, and Robert M. Lange have no relevant financial relationships to disclose.

CME Editor: Pohoey Fan, M.D. and Grace Wenzel, M.D.

Article Title: Echocardiographic Diagnosis of Acute Pulmonary Embolism in Patients with McConnell's Sign (*Echocardiography* 2016;33:695)

This manuscript underwent peer review in line with the standards of editorial integrity and publication ethics maintained by *Echocardiography*. The peer reviewers have no relevant financial relationships. The peer-review process for *Echocardiography* is blinded. As such, the identities of the reviewers are not disclosed in line with the standard accepted practices of medical journal peer review.

Conflicts of interest have been identified and resolved in accordance with Blackwell Futura Media Services' Policy on Activity Disclosure and Conflict of Interest.

Instructions on Receiving Credit

For information on applicability and acceptance of CME credit for this activity, please consult your professional licensing board.

This activity is designed to be completed within an hour; physicians should claim only those credits that reflect the time actually spent in the activity. To successfully earn credit, participants must complete the activity during the valid credit period, which is up to two years from initial publication.

Follow these steps to earn credit:

- Log on to www.wileyhealthlearning.com
- Read the target audience, educational objectives, and activity disclosures.
- Read the article in print or online format.
- Reflect on the article.
- Access the CME Exam and choose the best answer to each question.
- Complete the required evaluation component of the activity.

This activity will be available for CME credit for twelve months following its publication date. At that time, it will be reviewed and potentially updated and extended for an additional twelve months.
