Correction to Oncogenic osteomalacia: role of Ga-68 DOTANOC PET/CT scan in identifying the culprit lesion and its management

Correction to:

Singh D, Chopra A, Ravina M, Kongara S, Bhatia E, Kumar N, et al. Oncogenic osteomalacia: role of Ga-68 DOTANOC PET/CT scan in identifying the culprit lesion and its management. *Br J Radiol* 2017; **90**: 1072: 20160811. doi: [10.1259/bjr.20160811](https://doi.org/10.1259/bjr.20160811).

Owing to an oversight, the funding information was omitted from this paper. It should have read as follows:

“Funding for this study was provided by a grant from the Endocrine Society of India.”

In addition, Dr Deepa Singh and Dr Aditi Chopra are equal first authors, and should have been listed as such.
