Author Correction

The Editors of ASCO's 2011 *Educational Book* have authorized correction of the following error that published in the summary by Gridelli, Maione, and Rossi, entitled, "Therapy for Elderly Patients with Advanced Non-small Cell Lung Cancer" (pp. 300-304).

In the section "Platin-based Chemotherapy," the dosage for paclitaxel was erroneously given in the first sentence of the

last paragraph as **200 mg/m²/d** on days 1, 8, and 15 every 4 weeks, whereas it should have been **90 mg/m²/d** on days 1, 8, and 15 every 4 weeks.

The online version has been corrected in departure from the print. The authors apologize to the readers for the mistake.
