ERRATA

The March 1, 2015, article by McCormick et al, entitled “RTOG 9804: A Prospective Randomized Trial for Good-Risk Ductal Carcinoma In Situ Comparing Radiotherapy With Observation” (J Clin Oncol 33:709-715, 2015), contained an error.

In Figure 2, in the legend, C and D were incorrect. C was given as “Disease-free survival (n = 585)” and D was given as

“Overall survival (n = 585)” but it should have been reversed. The legend should have read, (C) **Overall survival (n = 585)**. (D) **Disease-free survival (n = 585)**.

The online version has been corrected in departure from the print. The authors apologize for the error.
