Errata

The October 10, 2015, article by Bhatia et al entitled “Human Papillomavirus–Associated Oropharyngeal Cancer: Defining Risk Groups and Clinical Trials” (J Clin Oncol 33: 3243-3250, 2015) was published with an error.

An Acknowledgement section should have been included with the following text: **“Funded in part by National Cancer Institute Grant No. U10CA180820.”**

This has been corrected as of December 6, 2017. *Journal of Clinical Oncology* and the authors apologize for the error.

DOI: <https://doi.org/10.1200/JCO.2017.77.3697>; published January 20, 2018

The August 10, 2017, article by Smith et al entitled “Participant-Reported Symptoms and Their Effect on Long-Term Adherence in the International Breast Cancer Intervention Study I (IBIS I)” (J Clin Oncol 35:2666-2673, 2017) was published with an error of omission.

The Acknowledgement section currently reads as:

We acknowledge the support of Madeleine Freeman in the inter-rater reliability analysis.

The Acknowledgement section should read as:

This work was supported by Cancer Research UK (C569/A16891 to [JC], C42785/A17965 to [SS]). AstraZeneca supplied tamoxifen and matching placebo without charge. We also acknowledge the support of Madeleine Freeman in the inter-rater reliability analysis.

The online version has been corrected in departure from the print. The authors apologize for the error.

DOI: <https://doi.org/10.1200/JCO.2017.77.1956>; published January 20, 2018

The October 20, 2017, article by Hanna et al entitled “Systemic Therapy for Stage IV Non–Small-Cell Lung Cancer: American Society of Clinical Oncology Clinical Practice Guideline Update” (J Clin Oncol 35:3484-3515, 2017) was published with an error.

On page 3486, the second filled bullet point read “With ALK gene rearrangements, crizotinib is recommended (Evidence quality: intermediate; Strength of recommendation: moderate).”

This should have read “With ALK gene rearrangements, crizotinib is recommended (Evidence quality: **strong**; Strength of recommendation: **high**).”

This has been corrected as of December 5, 2017. The authors apologize for the error.
