Erratum

The March 20, 2018, article by Li et al entitled “Prognostic Model for Stratification of Radioresistant Nasopharynx Carcinoma to Curative Salvage Radiotherapy” (J Clin Oncol 10.1200/JCO.2017.75.5165) was published with an error.

In Table 3, row 5, column 3 previously read “35 3 (0 / 1); < 68 Gy = 0; ≥ 68 Gy = 1.” This should have read “**35 × (0 / 1; < 68 Gy = 0; ≥ 68 Gy = 1).**”

This has been corrected as of April 9, 2018. *Journal of Clinical Oncology* apologizes for the error.
