Thomas PW, Thomas S, Hillier C, et al. Psychological interventions for multiple sclerosis. *Cochrane Database Syst Rev.* 2006;1:CD004431. <https://doi.org/10.1002/14651858.CD004431.pub2>.

The Cochrane Collaboration is an international not-for-profit and independent organization dedicated to making up-to-date, accurate information about the effects of health care readily available worldwide. It produces and disseminates systematic reviews of health care interventions and promotes the search for evidence in the form of clinical trials and other studies of interventions. For more information, visit <https://www.cochrane.org>.
