Correction to 'Detecting past changes in vegetation resilience in the context of a changing climate'

W. John Calder and Bryan Shuman

Biol. Lett. **15**, 20180768. (Published Online 6 March 2019). (doi:10.1098/rsbl.2018.0768)

The footnote at the end of this article [1] should clarify that this article belongs to a special issue organized by the PAGES EcoRe3 Working Group, and should read as follows: 'A contribution to the special feature 'Ecological resilience: from theory to empirical observations using long-term datasets' organized by the PAGES EcoRe3 Working Group'.

The *Biology Letters* team apologize for this error.
