To the Editor:

Thank you for publishing our article titled "The Krüppel-like factor (KLF5) as a predictive biomarker in preoperative chemoradiation therapy for rectal cancer" in August issue 2019 (*Ann Surg Treat Res* 2019;97(2):83-92). In the original publication, we found a mistake in 4th author's name. The 4th author's name Younghee Choi is the correct spell rather than Yong Hee Choi. She is working in Hangang Sacred Heart Hospital, Hallym University Medical Center. We forgot to check it at correction period. The mistake was not due to the editorial office of *Annals of Surgical Treatment and Research*.

Best Regards,

Younghee Choi

Corrected 4th author's name

Younghee Choi is the corrected name of Yong Hee Choi.
