The January 20, 2016, article by Tao et al, entitled “Ablative Radiotherapy Doses Lead to a Substantial Prolongation of Survival in Patients With Inoperable Intrahepatic Cholangiocarcinoma: A Retrospective Dose Response Analysis” (*J Clin Oncol* [10.1200/JCO.2015.61.3778](https://doi.org/10.1200/JCO.2015.61.3778)), was published with errors.

On page 1 in the margin, the line immediately before the corresponding author information reads:

Clinical trial information: NCT02200042

This line should have been **removed**.

The line immediately before the Acknowledgments section reads:

Clinical trial information: NCT02200042.

This line should have been **removed**.

This has been corrected as of March 1, 2019. The authors apologize for the errors.
