Erratum to: Surg Endosc (2013) 27:494–500
DOI 10.1007/s00464-012-2464-4

On page 497, right column, last paragraph, the third and fourth sentences need to be changed to:

One of these 19 patients had an asymptomatic hernia.
The other 8 CT scans were made on indication.
