Introduction of New Breast Section Editor

Dear colleagues,

We are pleased to announce that Dr. Min Jung Kim begins to serve as a new editor of breast section from January 2020 replacing Dr. Nariya Cho. We appreciate Dr. Cho's excellent service as the breast section editor from January 2017 to December 2019.

Dr. Min Jung Kim graduated from Yonsei University, College of Medicine in 1996. She completed internship and residency training in the department of radiology at Severance Hospital, Yonsei University. She received fellowship training in the breast radiology for three years since 2003 and became a faculty member of the department of Radiology at the same hospital in 2006. Since March 2017, she has been serving as a professor of the Department of Radiology at the Severance Hospital, Yonsei University. Dr. Min Jung Kim has more than 80 SCI(E) scientific publications as a primary or corresponding author, as well as two book chapters for breast radiology. Her major clinical and research field is the imaging diagnosis and intervention of breast cancer.
