Correction

CORE CONCEPTS

Correction for “Core Concept: Albedo is a simple concept that plays complicated roles in climate and astronomy,” by Sid Perkins, which was first published December 17, 2019; 10.1073/pnas.1918770116 (*Proc. Natl. Acad. Sci. U.S.A.* **116**, 25369–25371).

The editors note that on page 25371, left column, third paragraph, a date was misstated. Researchers using data gathered by ground-based instruments first reported regular variations in the brightness of Pluto in the 1950s, not the 1980s. The online version has been corrected.
