Volume 63, no. 6, e02266-18, 2019, <https://doi.org/10.1128/AAC.02266-18>. Acknowledgments: the 3rd paragraph of this section should read as follows. “This work was supported by Illinois State start-up funds (to Y.S.P.) and by the National Institutes of Health (grant R21-AI137584 to Y.S.P.), Russian Foundation for Basic Research (grant 17-00-00366 to P.V.S.), the Russian Science Foundation (grant 17-14-01416 to A.L.K. [production of functional ribosomal complexes] and grant 18-44-04005 to I.A.O. [analysis of antibiotic’s interaction with the ribosome]), and the Moscow University Development Program (PNR 5.13 to P.V.S.).”
