Volume 85, no. 20, p. 10529-10541, 2011, <https://doi.org/10.1128/JVI.05050-11>. It has been called to our attention that some lanes of Fig. 3, 5, and 10 have used the wrong samples. These mistakes happened during the assembly of the figures. We are taking responsibility for the mistakes and retracting the paper. S.K.K. did not agree to the retraction.
