Correction to Supporting Information for “Null effects of boot camps and short-format training for PhD students in life sciences,” by David F. Feldon, Soojeong Jeong, James Peugh, Josipa Roksa, Cathy Maahs-Fladung, Alok Shenoy, and Michael Oliva, which was first published August 28, 2017; 10.1073/pnas.1705783114 (*Proc. Natl. Acad. Sci. U.S.A.* **114**, 9854–9858).

The authors note that Dataset S1 and Tables S1 and S2 in the *SI Appendix* appeared incorrectly due to a data file error that affected one variable used in the analysis. After correcting the error and reanalyzing the affected comparisons, the authors note that the coefficients and *P* values for two comparisons reported in Tables S1 and S2 were incorrect. The SI has been corrected online. These errors do not affect the conclusions of the article.
