Volume 87, no. 11, p. 6326–6335, 2013, <https://doi.org/10.1128/JVI.03303-12>. Page 6332, Fig. 4: Ang-2 protein bands shown in Fig. 4A were inadvertently duplicated in Fig. 4C. We have corrected this error.

The Ang-2 row of Fig. 4C should appear as shown below.

The correction does not change previous conclusions.
