Volume 86, no. 3, p. 1372–1381, 2012, <https://doi.org/10.1128/JVI.06245-11>. Page 1378, Fig. 5: Due to an error in figure assembly, the Actin row (β -actin band) in Fig. 5C was an inadvertent duplicate of that in Fig. 4B. Due to the age of the article, we were unable to retrieve the original, uncropped Western blots.

This error does not change the interpretation of results or the conclusions of the paper. We apologize for the error.
